

**NEW BOOK!**

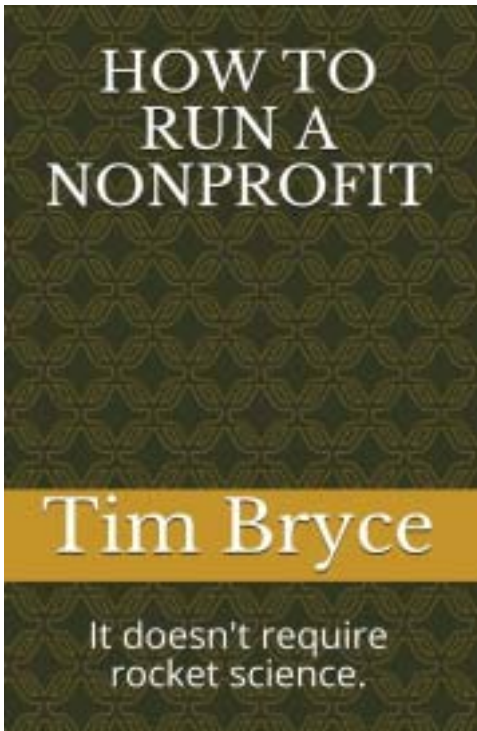

# HOW TO RUN A NONPROFIT

It doesn't require rocket science.

by **Tim Bryce**

Author of **THE BRYCE IS RIGHT!**

Available in Printed, PDF and eBook (Kindle) formats

The purpose of this book is to act as a guide to effectively run a nonprofit organization, be it a charitable, fraternal, religious, amateur sports, civic, social, veteran, political, professional trade, or homeowner/condominium association. All of these organizations typically experience the same type of problems, such as leadership, organization, membership, attendance, finances, records management, excessive politics, or whatever. Sadly, most of this is unnecessary and can be avoided with a little patience, common sense, and some good old-fashioned management.

Let's put our cards on the table; the biggest problem with most nonprofits is they are run by nice people, who mean well, but haven't a clue as to what they are doing. This book is for anyone involved with a nonprofit, be it a new person, or someone about to assume an officer position. As such, it is a **GREAT GIFT IDEA.**

## **ABOUT THE AUTHOR**

Tim Bryce is a writer and management consultant living in the Tampa Bay area of Florida. Over the last 45 years, he has served on the Board of Directors for well over fifty nonprofits in a variety of capacities, everything from President to Historian, Secretary, Finance Chairman, Division Director, Communications Chairman, etc. He has written several books and numerous articles on management, technology, and our ever changing world. His columns are read worldwide and his radio segments are played in the United States. As a management consultant, he has lectured and worked with companies of all sizes and shapes around the world. His blog, "The Bryce is Right!," can be found at: [timbryce.com](http://timbryce.com)
